Presenting

3M™ Clean Sanding System

Designed with technicians and shop owners in mind.

Smarter. Faster. Cleaner.

A clean shop can mean less rework, better cycle times, and the peace of mind that you are doing what you can to improve the shop environment. For you, your technicians and your customers.

New 3M™ Clean Sanding System

The 3M™ Clean Sanding System is a complete sanding solution for efficiently moving through your essential surface preparation and finishing work. The system includes our dust extractor, pneumatic and/or electric random orbital sanders, mobile workstation, wide selection of quality abrasives, and personal protective equipment.

- Designed to reduce dust in the air from sanding for a cleaner workspace.
- Helps shops boost productivity and efficiency by helping to reduce rework and cleanup time.
- Compact and mobile. Designed for easy, flexible use around the shop.
- Compatible with pneumatic and/or electric sanders.
- Tech-friendly design including auto on/off, antistatic hose, rubber wheels, brake locks, and LED indicator lights.

3M™ Abrasive Discs for Automotive Repair

Abrasives that meet your needs and dust extraction that helps to improve cut performance and extends disc life. A powerful combination.
