

MOTIP Silicone Remover

Ord.-no.: 00187

Technical Information

MOTIP Silicone Remover is essential for the effective removal of silicone, grease, oil, wax, dirt, tar and adhesive residue from surfaces to be treated. MOTIP Silicone Remover improves the adhesion to the surface and is therefore extremely suitable for use in spot repair or other purposes where professional cleaning is needed. MOTIP Silicone Remover is safe for all surfaces and leaves no residue.

Quality & properties

- Thorough removal of silicone dirt, fat, oil, wax, tar and adhesive residues
- Mild, non-aggressive solvent
- Improves adhesion of subsequent coatings
- Simple, time-saving application

Physical & chemical data

- Base: Organic solvents
- Colourname: transparent
- Efficiency: 400 ML – 1.25 - 1.75
- Minimum Working Temperature: 10 °C
- Maximum Working Temperature: 25 °C
- Vapour pressure: 3500/20 bar
- Content: 400 ML

How to use

- Before use, carefully read the directions on the packaging and act accordingly.
- The aerosol should have room temperature. Best processing temperature 10 to 25°C.
- Before use, shake the aerosol.
- Spray to test.
- Distance to the surface to be treated approximately 25 to 30 centimetre.
- Equally spray the surface to be treated and wipe with a clean, dry tissue.
- Repeat the treatment, until the contamination has disappeared.
- Let evaporate well the cleaned surfaces.

Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

For any further technical questions call our hotline +31 (0) 561 69 44 00 from Monday to Thursday from 9 h a.m. to 3 h p.m. or on Friday until 12 h p.m.

As of July 1, 2022 – This release replaces all eventually earlier issued versions.
