

## **PRODUCT INFORMATION SHEET**

### **T-Cut Rapid Scratch Remover**

#### **Description**

T-Cut Rapid Scratch Remover is specially formulated to remove surface scratches, \* swirl marks and blemishes. Use on car paintwork, enamels, gloss painted surfaces, most plastics, fibreglass gel coats, glass, ceramics, household appliances and metals (including alloys, chrome, brass and stainless steel).

- Car
- Home
- Caravan
- Boat

#### **Directions For Use**

1. Apply sparingly to the surface and rub in a circular motion until the scratch is removed.
2. Wipe off excess before it dries and use Triplewax Original Car Wax to bring back shine.

**WARNING** Do not use if lacquer coat is damaged. T-Cut contains abrasives. When used on cars, caution should be taken not to remove excessive amounts of paint which may cause the primer to show. Avoid hard rubbing on angled surfaces, eg. The edges of wings. Do not use on newly painted surfaces, glossy surfaces may be made dull, test in an inconspicuous area to ensure compatibility.

\* A surface scratch is determined by feeling no obstruction when passing a fingernail over the mark. If an obstruction is noticed, it will be deeper than a surface scratch and T-Cut Scratch Remover can help only in improving the appearance of the scratch.

#### **AVAILABILITY**

Available in a variety of sizes.

**Tetrosyl**

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only" are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
