TECHNICAL DATA SHEET – Leather Care Div.

INK REMOVER (stick)

DESCRIPTION

Easy to use stick for the removal of ink, lipstick or chocolate stains. Use on finished leathers or vinyl. (Do not use on aniline or suede/nubuck).

HOW TO USE

Ink Remover is for cleaning recent ballpoint ink or lipstick from topcoated leathers, vinyl or vinyl-like surfaces.

Sometimes, **Ink Remover** may be used on fresh stains on bycast and aniline leathers that have had prior treatment with **Leather Protector Car**.

On some aniline leathers, it may cause darkening that disappears in a couple of days. Always pre-test before use. Removal becomes increasingly more difficult with time.

Permanent markers contain solvents to increase the penetration of the dye and will not likely be removed, unless with a strong cleaner that will remove the finish which is to be reconstructed.

Always carry out a pre-test in a hidden area before using the product.

| PHYSICAL CONSTANTS | Standard Value | Test Method |
|------------------------------|----------------|-------------|
| Appearance | Whitish paste | MDA 008 |
| Density (g/cm ³) | 1.01 ± 0.05 | MDA 018 |
| Active substances (%) | 100 | MDA 023 |

| STORAGE | Rev. |
|--|---------|
| Non-dangerous product. Store between +5/40°C | 06.2016 |

MINIMUM SHELF-LIFE – HANDLING INSTRUCTIONS

The product is guaranteed for its physical and quality characteristics 24 months from the date of production. It has to be kept in its original packaging, well sealed and stored following the conditions in our technical data.

This document is exclusively reserved for professional users.

All information regarding correct use and any hazardous content are available in the safety data sheets.

All our information and suggestions are supplied on the basis of our present knowledge, and are subject to careful tests. However, we cannot accept responsibility for the use of the product, which must be verified and evaluated for its suitability or otherwise by the customer. Declared physical constants are monitored in production and guaranteed by FENICE S.p.A.
