TECHNICAL DATA SHEET – Leather Care Div.

MENDER FAST – STUCCO RAPIDO

DESCRIPTION

Filler for hiding defects such as scratches, thorn marks, brands and abrasions on leather.

HOW TO USE

Mender Fast -Stucco Rapido is easily sanded (buffed), therefore it is particularly suitable to be used when a perfectly even surface is desired before a complete refinishing.

It is applied using a spatula, left to dry and then buffed with buffing paper to produce a smooth surface. Lightly overfill the defect to compensate for the small reduction in volume due to drying.

Mender Fast - Stucco Rapido may be coloured as desired adding up to 10% of **TUP colours**.

PHYSICAL CONSTANTS	Standard Value	Test Method
Appearance	White paste	MDA 008
pH (1:10)	8.5 ± 1	MDA 004
Density (g/cm ³)	0.88 ± 0.05	MDA 018
Dry content (%)	38 ± 2	MDA 010/011

STORAGE	Rev.
Non-dangerous product. Store between +5/40°C	01.2021

MINIMUM SHELF-LIFE–HANDLING INSTRUCTIONS

The product is guaranteed for its physical and quality characteristics 24 months from the date of production. It has to be kept in its original packaging, well sealed and stored following the conditions in our technical data.
