TECHNICAL DATA SHEET – Leather Care Div.

GRAIN COPIER

DESCRIPTION

Advanced two-component product created to duplicate grain molds of leather.

HOW TO USE

Grain Copier is a very advanced product, made up of 2 components, used in recreating the grain pattern of leather in 5 minutes.

This specialty is supplied in a easy, ready-to-use 50 ml packaging.

1. Apply **Leather Protector** on the leather near to the damaged area.
2. Press out in a cup an equal amount of the two components from the two cartridges and mix well and quickly.
3. Immediately apply the **Grain Copier** on the leather away from the damage where you have applied the **Leather Protector** and
4. Put **Heat Paper Repair** over it and let it dry.
5. Lift up the grain copy.

You have now a perfect duplicate grain mold reusable many times.
