DECORATIVE RANGE

DAMP & STAIN BLOCK

SURFACE PREPARATION

400ml 520 3

DAMPNESS DEFENCE:
Actively blocks and repels dampness, safeguarding interior walls and ceilings from the harmful effects of moisture.

READY-TO-PAINT:
Simplifies the process of damp-proofing and stain blocking in challenging, inaccessible areas. Offering dual purpose, our Damp & Stain Block functions as both a damp-proofing primer/sealer before painting, and also as a standalone solution.

MOULD AND STAIN RESISTANCE:
Formulated to resist mould and stains, our Damp & Stain Block provides an effective barrier, ensuring a clean and fresh appearance on your surfaces.

EASY & QUICK:
Our fast drying formula combined with our spray can format allows for straightforward application on a variety of surfaces including walls, ceilings, bathrooms, windowsills, cement, stone and brick.

VERSATILE:
In addition to damp and mould, our Damp & Stain Block can be used on a multitude of common stains such as pen, nicotine, crayon and smoke.

DIRECTIONS FOR USE:
Ensure the surface is clean, dry, and free from dust or debris. Shake the aerosol can vigorously for one minute before use. Hold the can approximately 15-30 cm away from the surface. Apply in a steady back-and-forth motion, slightly overlapping each stroke. Allow the product to dry completely before applying additional coats or subsequent paint layers. Use in a well ventilated area.

DANGER

Contains: ACETONE; 1-METHOXY-2-PROPANOL; 2-BUTOXYETHANOL; LIQUIFIED PETROLEUM GAS PROPELLANT
Repeated exposure may cause skin dryness or cracking. Extremely flammable aerosol. Pressurised container: May burst if heated. Causes serious eye irritation. May cause drowsiness or dizziness. May cause harm to breast-fed children. Toxic to aquatic life with long lasting effects. Keep out of reach of children. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50 °C/122 °F. Do not breathe spray. IF ON SKIN: Gently wash with plenty of soap and water. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
